

LOTUS EVENTS & WEDDINGS

WHAT IS IT THAT YOU LOVE MOST ABOUT WHAT YOU DO? I enjoy getting to know every couple and guiding them towards their dream wedding. It's a joyous adventure from planning to the big day, and I love being the person they can count on and trust.

YOU PLAN EVENTS THROUGHOUT THE ISLANDS BUT WHAT MAKES KAUAI SUCH A SPECIAL PLACE TO GET MARRIED? Kauai, being the oldest island, exudes a sense of sacred space offering romantic settings like waterfalls, lush gardens, and beautiful white sandy beaches, making it unique and special.

WHAT IS THE SIGNIFICANCE OF "LOTUS" IN LOTUS EVENTS & WEDDINGS? Every couple grows like a Lotus flower, unsure where to begin with wedding planning. As they grow and care for each other, they transform into a beautiful flower that shines with love, trust, and clarity.

WHAT ADVICE CAN YOU GIVE TO COUPLES WHO PLAN TO HAVE A DESTINATION WEDDING? Start early, visit the islands beforehand, choose a planner you connect with, and prioritize your own preferences!
